## **LOCAL COUNCIL AWARD SCHEME**

Councillors passed a resolution supporting the application for Quality Level in the Local Council Awards. The Council achieved foundation level in March and are one of only two councils in Somerset to achieve this award

The Quality Award demonstrates that a council achieves good practice in governance, community engagement and council improvement. Quality councils go above and beyond their legal obligations, leading their communities and continuously seeking opportunities to improve and develop even further.

To meet the criteria the council confirmed that the following are in place:

1. Draft minutes of all council and committee meetings within four weeks of the last meeting
2. A Health and Safety policy
3. Its policy on equality
4. Councillor profiles
5. A community engagement policy involving two-way communication between council and community
6. A grant awarding policy
7. Evidence showing how electors contribute to the Annual Parish or Town Meeting
8. An action plan and related budget responding to community engagement and setting out a timetable for action and review
9. Evidence of community engagement, council activities and the promotion of democratic processes in an annual report, online material and regular news bulletins
10. Evidence of helping the community plan for its future

The council also confirms by resolution at a full council meeting that it has

11. A scheme of delegation (where relevant)
12. Addressed complaints received in the last year
13. At least two-thirds of its councillors who stood for election
14. A printed annual report that is distributed at locations across the community
15. A qualified clerk
16. A clerk (and deputy) employed according to nationally or locally agreed terms and conditions
17. A formal appraisal process for all staff
18. A training policy and record for all staff and councillors

### **INTRODUCING THE HEALTH COACH ROLE AT BUTTERCROSS HEALTH CENTRE**

In last month's Viaduct article, we confirmed that Buttercross Health Centre is now part of Symphony Healthcare Services (SHS), a new healthcare organisation - formed through a partnership with Yeovil Hospital and GP practices in South Somerset.

To meet the challenge of rising patient numbers and more complex care needs in the community, SHS are working hard to secure a new extended healthcare team including GPs and specialist healthcare teams. But the focus isn't just on GPs anymore, there are new specialist roles that can help patients access the care and support that they need.

#### **BUT WHAT IS A HEALTH COACH AND HOW CAN THEY HELP?**

The Health Coaches based at Buttercross are part of the Enhanced Patient Care (EPC) programme being run across many GP practices. Their role is to work closely with patients to offer support managing existing health conditions and help prevent unnecessary hospital admissions, or re-admissions.

Health Coaches have been well trained and will work with patients to develop a personalised care plan. They will also follow up or attend appointments with patients to help them understand information about their health conditions in a practical way, maintaining a high quality life at home. Health Coaches can act as a first point of contact, reducing the need to contact several different care organisations and coordinating the information required. Patients can also gain practical advice for managing their health conditions including diet, fitness and information on other organisations that may be able to offer additional support.

For more information on the Symphony programme in Somerset, please visit [www.symphonyintergratedhealthcare.com](http://www.symphonyintergratedhealthcare.com), or visit Buttercross Health Centre.

### **LINDA'S LINE UP**

During the past year Linda's Line Up has raised over £1,200 for various charities. Those that have benefited are the Chair Fund for the Parish Rooms, Air Ambulance, Macmillan Nurses, The Scanner Appeal at Yeovil Hospital and Help for Heroes. The funds have been raised in various ways including raffles, coffee mornings and line dance socials. The latest charities to benefit will be St. Margaret's Hospice and a local mental health charity. As well as keeping fit and healthy with line dancing we are also helping our local community. Keep up the good work all fellow line dancers.

### **COUNTY COUNCILLOR'S SURGERY**

There will be no County Councillor's surgery in August. Dean Ruddle's next surgery will be held on Saturday 3rd September 2016, from 9.30 till 1100am in the White Hart, Somerton. Appointments can be made by telephone 01458 274865 or email [anne.yates@btinternet.com](mailto:anne.yates@btinternet.com).

### **CITIZENS ADVICE IN SOMERTON**

Due to a refurbishment taking place in the West Street church, the venue will be unavailable for Citizens Advice for the first two weeks of August. However, normal service will resume on Tuesday mornings from 10am-12noon from Tuesday August 16th. We apologise for any inconvenience. If your request is urgent, see the CA website at [www.southsomcab.org.uk](http://www.southsomcab.org.uk) for details of other offices in South Somerset, or call the advice line 03444 111 444 (calls charged at local rate).

## **SOMERTON SCOUT GROUP**

The Beaver and Cub sections of the group have been having a lot of fun this term which has included a visit to Yeovilton Fire Station, a hike around Kingsdon with a picnic and a summer camp including kayaking and dragon boating.

The exciting news is that we are opening a Scout section from September. This is open to boys and girls aged 10 1/2 to 14. We have changed our meeting days for our Beaver and Cub sections to accommodate the new section. Our new meeting times are as follows:

Beavers (6 - 8 years old) Wednesday 17.00 - 18.15

Cubs (8 - 10 1/2 years old) Wednesday 18.30 - 20.00

Scouts (10 1/2 - 14 years old) Tuesday 19.00 - 21.00

We are having a Scout Open evening at the Scout HQ at the rear of the Half Moon car park on the 2nd August 19.00 - 20.30. Come along to meet the leaders and find out what we have to offer.

If you are interested in your child joining the group please contact Fiona Bayles on 07580 863392 or [Fiona.bayles@gmail.com](mailto:Fiona.bayles@gmail.com) with your child's name, date of birth and contact details.

## **CHRISTIAN AID WEEK 2016**

Christian Aid Week in Somerton this year raised £3,612.61, and just over £4,000 with some added Gift Aid. A huge thank you to everyone who gave to help the poorest in our world, to our wonderful team of volunteer collectors, and to Kim and her team at the Post Office for checking the money.

Very sadly, this year there were a number of reports that unauthorised people had collected envelopes before the Christian Aid collector came round. Our collectors always carry an authorisation badge and carry a red Christian Aid bag. This year, and next, they will also have a red Christian Aid badge saying that they are a volunteer. Please check that your collector has this identification before handing over your envelope. Somerton is a very generous place! Thank you so much.

Rowena Wallace, Somerton CA Week organiser

## **THANK YOU FROM HOLLY**

A huge thank you from four year old Holly Costello to everyone who donated and to Williams Supermarket, Cobbs Health Food, the Royal Oak and customers, the police and fire brigade, and to all the little ones who participated in the toddle on 11th June. Thanks also to Sue and Lynn from Williams for the fabulous cake sale. We raised an amazing £2300 for Newlife Foundation of which £1635 goes towards Holly's new safety sleeper bed. The remaining £665 will go to help another disabled or terminally ill child in Somerset.

## **CHARITY THEATRE TRIPS TO BRISTOL HIPPODROME**

August brings last orders to be certain of a place for lots of trips: The Theatre Tour and Fiddler on the Roof, The Verdi Opera Macbeth, Kiss Me Kate, Billy Elliot and Cinderella.

Our trip up the A37 to see The Mikado whilst folk were trying to get into the Glastonbury Festival was a comic opera on its own. The good news is that we made it to Bristol with ten minutes to spare, thanks to a great driver who is now fully qualified for foreign travel across Europe.

We pick up in Curry Rivel, Langport, Somerton, then Keinton Mandeville and Shepton Mallet or Street and Wells.

Full details of our trips can be found at [www.theatretrips.webeden.co.uk](http://www.theatretrips.webeden.co.uk) or phone Chris on 01458 273085 to request a postal listing. All profits are donated to charity.

### **RIDE-OUT FOR ROSIE RAISES £540 FOR ST MARGARET'S HOSPICE**

Sunday 3rd July saw over 30 motorbikes take part in the second annual Ride-Out for Rosie. Set up to raise funds for St Margaret's Hospice in memory of Rosie Knight from Somerton, the ride-out, hosted by Somerton Sports Club, stopped at West Bay before returning to the club for refreshments.

This year saw a rather special guest take part in the ride-out. Ernest Washer, 86 joined the other riders on the ride through Somerset and Dorset on his 500cc motorbike. Ernie came second in the Manx Grand Prix, in 1957 and first in 1958. The MGP is considered the amateur riders' alternative to the TT. "It was wonderful to see Ernie join us for the Ride Out, we feel honoured to have him join us this year and we hope that he will be able to join us for future events" said Ken Knight, Rosie's husband.

The Ride-Out for Rosie crew, made up of friends and family of Rosie Knight, would like to thank all the businesses and individuals that gave for the raffle including Quicksilver Mail, White Hart, Williams Supermarket, Cobbs Health Food; the riders who took part and to the people of Somerton who welcomed back the Ride-Out all of which helps to raise an amazing £541 for this much loved charity.

### **ST. MARGARET'S HOSPICE CARE: MAKING EACH DAY COUNT**

St. Margaret's Hospice is a registered charity which has been at the heart of Somerset's community, for 35 years. We strive to make each day count through the delivery of high quality, responsive, compassionate care to patients and their families facing a life shortening illness.

### **DID YOU KNOW?**

- St. Margaret's is a Somerset charity - we are not part of the NHS
- It costs £10m per year to run our service

## Viaduct No. 155 - August 2016

- After NHS funding we still need to raise £7.5m to deliver our care
- We care for people with any life-limiting illness, not just cancer
- We support families and carers as well as patients
- 1 in 3 people in Somerset will need our support in their lifetime
- Last year St. Margaret's cared for 3,200 people
- The majority of people are cared for in their own homes
- Over 1,200 volunteers help us care for people at the end of their lives
- 1 in 5 of our patients receive care, thanks to gifts in wills

### **FLY-TIPPING**

There has recently been a noticeable increase in the amount of fly-tipping in our country lanes. We can all help to stop people bespoiling our countryside, so the following advice has been issued by SSDC.

If you see fly-tipping take no risks: do not touch anything fly-tipped or approach fly-tippers, but when it is safe, contact customer services at SSDC (01935 462462) with any details. This can include: the amount fly-tipped, possible contents from a visual check only, the location, time and date, whether it is in or near water, plus information about those who may be responsible, such as vehicle type, colour and registration number. You can report fly-tipping anonymously, but your evidence could be vital to ensure a fly-tipper is caught and convicted.

Just knowing that someone is prepared to give evidence may well convince an offender to admit his/her guilt.

### **SOMERSET HERITAGE CHARITY LAUNCHES BRAND DESIGN COMPETITION**

The Alfred Gillett Trust, based in Street, Somerset, has announced that they will be re-branding, with an innovative competition. It will be aimed at providing local young people with an exciting opportunity for career development and cultivating networking skills.

The charity was established in 2002 to preserve the archive and heritage collections of C & J Clark International Ltd and the Clark Family who established the firm in 1825. The collection contains over 100,000 items relating to the shoemaking industry, social history, the Society of Friends and geological specimens local to the area. The intertwined history of Clarks the business and the Clark family are well represented and the collections are varied, with everything from shoe catalogues, point of sale materials, film, sound archives, shoes and machinery to fossils, artwork, furniture and costume.

The competition is open to 17-26 year olds who are not currently paid marketing/design professionals. Applicants are invited to submit proposals for the trust's new visual identity including a logo, brand guidelines and stationery templates. The winner will receive £250 and that all-important first step on the career ladder, with their winning entry adopted publicly throughout the Trust's print and multimedia channels.

Open evenings will be held on Tuesday 26 and Thursday 28 July 2016, which will provide an important opportunity for those interested in submitting an entry to gain further information about the trust and the incredible collection of historic marketing materials in our care. There will be tours of the Grange, an historic Grade II listed building, as well as an outline of the charity's mission and objectives.

The winner will be announced at a special presentation evening in the autumn, where the short listed entrants will have the opportunity to showcase their work and pitch their ideas to an expert panel of art, design and marketing professionals.

More information can be obtained from Sam Bradley at The Alfred Gillett Trust at [enquiries@agtrust.org.uk](mailto:enquiries@agtrust.org.uk) or on 01458 444060. The closing date for entries is 5pm on Friday 2 September 2016.

### **SOMERTON NEWS**

Martyn, Lesley and Mo would like to thank all the contributors and advertisers for this 2016/17 issue. Especially we send thanks to all our volunteer deliverers who carried such a heavy load together with the July Viaduct.

## **SELFIES CAUSE RISE IN COASTAL DEATHS**

Daring attempts to capture the perfect photograph have accounted for 92 deaths over the past 2 years. More than half of the 168 people killed at sea in 2015 entered the water accidentally while 385 others were spared only after being rescued by RNLI volunteers. The death toll is 50% higher than the number of fatalities resulting from cycling accidents on UK roads over the same period. Alongside accidents caused by people attempting to traverse perilous coastal paths, fatalities also resulted from swimming, diving & sailing incidents and the driving of vehicles off cliff tops. Have a happy and safe holiday! "Respect the Water"

Mary Mullineux, Secretary to Somerton & Langport Area Branch RNLI
