

Condition of Contract: Removal and Replacement of the Ash Tree situated at the Market Place Car Park

The Council require assurances from all potential contractors through the provision of appropriate documentation that:

- 🏠 All operatives will be suitably trained and qualified to use any machinery involved in the work
- 🏠 The Contractor / Operatives are licensed to work on public highway
- 🏠 Operatives will at all times wear suitable protective clothing and High Viz jackets and display safety signage as necessary
- 🏠 Operatives will be aware of and trained on all H&SE aspects of working with any machinery used in carrying out this contract and working on the public highway/verges
- 🏠 Contractors will provide details of Public Liability Insurance cover with the tender papers
- 🏠 COSHH assessments for all chemical substances to be used while working on the contract.
- 🏠 Method Statements detailing how the various elements of the contracted work will be undertaken

The main risks associated with the work required under the contract relate to operating machinery and more specifically doing so while working alongside the public highway. Due consideration will need to be taken at all times to the safety of both the operatives and also the general public as a consequence of the work being carried out.
