## Cookie Policy

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us. As a visitor to our website you will have the option to opt-in or withdraw at any time.

Somerton Town Council and Edgar Hall Set Cookies:

Cookies are used as a session handler to link a user to a particular session on the website. These do not hold or track private data; they are more a link to data potentially stored in the website itself for that user.
