

SHURB BED MAINTENANCE IN SOMERTON 2015 - 2016

There are 4 Shrub / planting bed areas which require routine maintenance, the sites being located at:

-  Etsome Memorial Site
-  Great Western Lane
-  Edgar Community Hall, 8 Cary Court, Somerton Business Park
-  Shrub Bed at the Unicorn Car Park

The maintenance to each area is to include:

-  Regular weeding (at least monthly) during the growing season (March - October)
-  Pruning of plants and shrubs as and when necessary (with regard to seasonal requirements)
-  Disposing of any waste and arisings
-  Watering as necessary
-  Provide all necessary equipment to carry out the work adequately
-  Removing and replacing dead plants and shrubs (new shrubs provided by S.T.C.)
-  Spreading bark mulch or similar to beds (bark provided by S.T.C.)
-  Reporting on changes / improvements required to ensure planted areas are kept to the highest standards
-  Taking due regard of current and future legislation with respect of chemicals to be used and their application
-  Taking due regard of Health & Safety legislation including COSHH
