SOMERTON TOWN COUNCIL BUDGET 2016/17

Somerton Town Council has a commitment to provide services, maintain assets, support the Christmas lights, promote Somerton, develop car parking and help the Recreation Ground development and associated play areas.

The precept will be £319399, an increase of 8%. The increase per band D property in Somerton equates to 5% - £8.86 for the full year or 17p per week.

HIGHWAYS IMPROVEMENT SCHEME WEST STREET

Has been approved but may take up to 2 years to be implemented.

HEXT ALMSHOUSES TRUSTEE

Cllr Frayne has been nominated to join Ian Neale as a Trustee

QUEENS 90TH BIRTHDAY "CLEAN FOR THE QUEEN"

Volunteers are requested to help the "Clean for The Queen" scheme in Somerton on 5th and 6th March 2016. Please contact the STC Council Office.

INCONSIDERATE PARKING IN WEST STREET

It has been noticed of late that many cars and delivery vans are parking with two wheels on the pavement when visiting shops or making deliveries in West Street and the Market Square area. This practice can and will damage the newly laid paving slabs by the War Memorial, which cost the town a considerable sum to refurbish. Also the weight of these vehicles has caused old paving slabs to crack and sink in West Street.

It has also been noticed that the pavement outside the Chinese Take away is being used as a drop off point for children to walk to school from. There is a car park a few yards down the road which will make it a lot safer for the children and other road and footpath users.

Parking on pavements can obstruct and seriously inconvenience pedestrians, people in wheelchairs or with visual impairments and people with prams or pushchairs. Please be mindful of how and where you park.

CHRISTMAS LIGHTS

Thanks are expressed to the "Lights Brigade" for the amazing light display and the positive publicity it created for Somerton, including an item on BBC Somerset radio.

SOMERSET VILLAGE AGENTS ARE WARMING UP THE COUNTY

Community Council for Somerset (CCS) Village Agents have been giving out winter blankets across the county in time for the colder weather.

With a successful application to the Somerset Community Foundation we secured £500 from the Keeping Warm Fund from Public Health to spend on 50 cosy blankets purchased from

Viaduct No. 149 - February 2016

Poundstretcher in Taunton. The shop was very supportive and, as we were bulk buying for charity they gave us five blankets for free. Somerset Village Agents live and work in their local area, making them perfectly placed to support individuals to improve the quality of life of people living in rural areas, and support groups to set up, grow and flourish. SALVATION ARMY CHRISTMAS CONCERT FOR SOMERTON

Over 250 people filled St Michael's Church on the evening of December 17th to hear the annual Christmas concert given by the Bridgwater Corps of the Salvation Army. The retiring collection raised £641 to help with their social work in the Bridgwater area.

SOMERTON & LANGPORT AREA BRANCH RNLI

Fund raising is always hard work especially when the charity you are helping costs £410,000 a day to run! A very successful lecture evening generously given by Richard Kay of Lawrences, at Long Sutton Village Hall in November raised £1,600. The lecture was entitled "Delightfully Deceived" 500 years of Trompe L'oeil; wine & canapés were served. The Cross Keys Inn at Keinton Mandeville held a weekend event in the summer to celebrate their second anniversary where they turned their landlocked pub into a beach complete with deck chairs and a lighthouse. The event supported the RNLI, the Air Ambulance, the Burnham Area Rescue Boat and Mark Newton, who is documenting war graves in Somerset. At a presentation evening on November 21st Matt French, the chairman of the Somerton & Langport Area Branch RNLI was delighted to receive a cheque for £600 and the branch is extremely grateful for their support. A coffee morning in Somerton by kind invitation of Mrs Esther Locke raised £245. The branch has also received a very generous donation from Mr Des Haynes in memory of his wife Joy, who died in October; they both worked tirelessly to help raise funds for the institution. The branch will be holding an antiques valuation day by Lawrences at Long Sutton village hall on Wednesday 24th February 2016.

SOMERTON LIGHTS BRIGADE

Well, that's another year gone, and we hope you all enjoyed the lights this year. All that remains is for us to say thank you to the following businesses for their help and support - Mike Cox and Mike Mitchell (our 'cherry picker' heroes), Stacey's butchers (yummy pasties), Overt Locke, Stationery House, Mike Gillingham (emergency repair), Cobbs, Midney Gardens and Ian Rodger. Lastly a big thank you to all the children who took part in the Christmas lights switch on, and the people of Somerton who contributed to our bottle stall and collecting boxes. We raised well over £200, which we will be using to buy something new for next year. Thanks again and Happy New Year!

A BIG THANK YOU

To all the businesses and individuals in Somerton who provided raffle prizes for the Town Councillors' Christmas Raffle. £110 was raised on the evening with the main Town Council matching the amount. £220 was presented to the Salvation Army in Yeovil for their Christmas Homeless and Lonely Appeal.

RECYCLING GETS INTO GUTTER FOR STREET SWEEPING SAVINGS

The leaves, gravel and rubbish found in street sweepings are being successfully recycled or turned into fuel as part of efforts by Somerset Waste Partnership (SWP) to save materials and money for council tax payers. Collected by every district council in Somerset and until recently buried in costly and polluting landfill, street sweepings are now being sorted and reused as five grades of sand or gravel for new roads, house building and other construction tasks. Any organic matter - from leaves to fast food wrappers - is processed and blended into "RDF" or refuse-derived fuel for burning to generate heat and power.
